3:00--4:30 PM

3:00--4:00 PM

\$525

\$500

MAXIMUM OF 14 STUDENTS

MAXIMUM OF 16 STUDENTS

Gotham Tennis Academy aims to strengthen tennis skills and meet player's goals through cutting edge instructional methods. Gotham is at the forefront of a dramatic new way of teaching beginners and advanced beginners the game of tennis. Gotham utilizes USTA-approved low pressure balls, mini-nets and age and level-appropriate drills. In fun and friendly classes, Gotham teaches fundamental skill-building exercises critical to creating early muscle memory. Gotham's qualified pros are selected very carefully and understand the importance of younger players having a lot of fun, while developing confidence and learning the game of tennis. By the completion of the eleven week program, your child can expect to realize significant improvement in the areas of eye-hand coordination, footwork proficiency, basic stroke movements, and a basic understanding of tennis rules. **STUDENTS MUST SUPPLY THEIR OWN TENNIS RACQUETS.**

LIGHTS, CAMERA, ACTION WITH TAKE TWO FILM ACADEMY (2nd - 3rd Grade)

3:00--4:30 PM

\$515

Get into the Act! This class is for students who have already had either some filmmaking or acting experience and are looking to take it to the next level. Students will be asked to accelerate their production process, with story building, acting, directing and editing. Equipment and editing software included. **MAXIMUM OF 14 STUDENTS**

BULLDOG BASEBALL CLUB (2nd - 3rd Grade)

3:00-- 4:30 PM

\$525

The Bulldog Ball Club is a baseball and softball program for children in the Metropolitan New York area. Our adaptive curriculum aims to teach baseball and softball to beginners and experienced players alike. Physical skills, rules, and concepts are covered in fun and collaborative games. Children learn age-appropriate fundamentals and are introduced to basic game concepts. Our knowledgeable coaches with backgrounds in education, a passion for baseball, and experience working with children provide a safe learning environment for your children to play ball!

We will begin with a review of all the necessary basic skills and concepts, including hitting position, fielding and throwing mechanics, and field space. Students will advance to:

- Relay Work
- Infield and Outfield Strategy
- Intermediate Base Running Concepts
- Intermediate Levels of Creating Outs
- Defensive Positional Planning
- Pitching and Catching

Competition, races, winning, and losing are explored through teamwork and sportsmanship. All skills are covered through conceptual mini games and instructional baseball games. *MAXIMUM OF 14 STUDENTS.*

FRENCH (JK- K)

3:00--4:00 PM

\$350

Native speaking instructors lead students through activities based on weekly themes, with music, movement, and interactive storytelling. *MAXIMUM OF 8 STUDENTS.*

COMPETITION CHESS(JK- 3rd Grade; *DEPENDING ON SKILL LEVEL*)

3:00--4:30 PM

\$640

This semester New York City Chess Inc. and The Mandell School are putting an exciting spin on afternoon chess. We will teach preparation for scholastic competition along with tactical training, making for an exciting opportunity for our students. Fun tournament environments will raise the bar and interest level resulting in great chess! The more you practice, the more you play, the better you get. *MAXIMUM OF 20 STUDENTS*

SCIENCE CLUB WITH STEPHANY(K- 1st Grade)

3:00--4:00 PM

\$355

In science club students will learn what it takes to be a real scientist. They will have the opportunity to explore liquids, gases, sound, electricity and different forces. Students will even conduct their own cool science experiments and find surprising results. *MAXIMUM OF 10 STUDENTS.*

MANDELL STORY BOOK THEATER WITH KATHY (2nd - 3rd Grade)

3:00--4:15 PM

\$355

Story theatre? What's that? Join Mandell School Librarian, Kathy Armbruster to find out! It's a fun, active way to tell a story where actors play dual roles of character AND narrator. Can't be done, you say? Give it a try! We'll perform a selection of rhymes, poems and fabulous folktales with this unique storytelling format. Don't miss it! An after school performance will be scheduled for the 10th session. Minimal costumes and props will be used. *MAXIMUM OF 8 STUDENTS*

LACROSSE WITH MIKE (2nd - 3rd Grade)

3:00--4:30 PM

\$380

What better way for your child to enjoy an afternoon of fun and exercise than with our after school lacrosse program. This after school program is designed to provide a learning experience for kids who are interested in the game of lacrosse. Students will learn the basic fundamentals of the game such as catching, passing, shooting, and cradling. Students will also be introduced to the basic rules and concepts with games and other fun activities. **STUDENTS MUST PROVIDE THEIR OWN HELMET, STICK, GLOVES, ELBOW PADS, SHOULDER PADS AND MOUTH GUARD.** *MAXIMUM OF 12 STUDENTS.*

ADVANCED BEGINNER SWIM (JK- 3rd Grade; *DEPENDING ON SKILL LEVEL*)

3:00-4:00 PM

\$530

The swimming program is centered on core body strength. Students begin underwater swimming and develop freestyle and backstroke. Basic swimming skills are required and will be tested. *MAXIMUM OF 15 STUDENTS.*

SCIENCE CLUB WITH STEPHANY (2nd- 3rd Grade)

3:00--4:30 PM

\$380

Students will have an opportunity to participate in outdoor exploration and discovery of the wildlife that inhabits Central Park. Students will learn to create a science backpack to go bird watching, bug hunting and fishing. We will study our specimens in the science room and learn to keep a science journal of our adventures. **Students must bring a backpack to take to the park. This backpack will stay in the science room until the last day of Science Club. Students may also want to purchase a Field Guide of Birds, but it is completely optional.** *MAXIMUM OF 10 STUDENTS.*

SPANISH (JK- K)

3:00--4:00 PM

\$315

Native speaking instructors lead students through activities based on weekly themes, with music, movement, and interactive storytelling. *MAXIMUM OF 8 STUDENTS.*

RUN CLUB WITH ANGIE AND LEAH (2nd - 3rd Grade)

3:00--4:30 PM

\$345

Run Club strives to encourage the students' love of running that will help them continue to be physically active for the rest of their lives. Themes that will be covered during the course of the class include pace, distance, workouts, relay races and strength training. Please make sure that your child brings a change of clothes and is prepared to go outside as these classes will take place in Central Park. *MAXIMUM OF 10 STUDENTS.*

HEAD START CHESS WITH CHESS NYC (JK- 3rd Grade; *DEPENDING ON SKILL LEVEL*)

3:00--4:30 PM

\$575

An exciting introduction to the game of chess for our beginner Students, Players will enjoy close student to Teacher ratio, introduction to the pieces and how they behave, real life variations of games and fun, "Tournament like" activities. Each student receives training according to their individual levels and progress. Head Start is a whole new way to introduce, engage, captivate and keep beginning players in the new (yes new), exciting game of chess...and wanting more! *MAXIMUM OF 20 STUDENTS.*

HIPPITY HOP DANCE WITH BRIDGE FOR DANCE (JK- K)

3:00--4:00 PM

\$360

The perfect Friday after school activity! A fun, high energy, hip hop/pop style dance class! A great way for your child to get great exercise, learn new dance skills, and get to boogie down with their pals before the weekend. This class is structured like a traditional dance class, but with more of an emphasis on the choreography, and a high energy, performance based vibe. The children will do a dance warm up, learn how to count music, move across the floor and learn a group dance along with other elements involved in performing. This workshop is concluded with a performance on the last day of class, that includes part of their own choreography! Children will dance to familiar, yet age appropriate music. *MAXIMUM OF 16 STUDENTS.*

PHOTOGRAPHY WITH MELANIE AND ELLEN (2nd - 3rd Grade)

3:00--4:30 PM

\$345

Photography is more than pointing and shooting! Photography Class will include lessons on photo journalism, landscapes, candid photos, portraits, etc. Students will have the opportunity to take photos in many different settings. We will compare our photographs with the works of famous photographers to further understand subject matter and composition. Works will be collected throughout the course and put together in a personal photography portfolio. **STUDENTS MUST SUPPLY THEIR OWN POINT AND SHOOT DIGITAL CAMERA.** *MAXIMUM OF 10 STUDENTS.*

BULLDOG BASEBALL CLUB (K - 1st Grade)

3:00--4:00 PM

\$435

The Bulldog Ball Club is a baseball and softball program for children in the Metropolitan New York area. Our adaptive curriculum aims to teach baseball and softball to beginners and experienced players alike. Physical skills, rules, and concepts are covered in fun and collaborative games. Children learn age-appropriate fundamentals and are introduced to basic game concepts. Through group work, small games, and inter-team play, your children learn the foundations of baseball and are introduced to the value of sportsmanship and teamwork. Our knowledgeable coaches with backgrounds in education, a passion for baseball, and experience working with children provide a safe learning environment for your children to play ball!

We begin with an introduction to field space and base running to give our youngest players a sense of their surroundings- where they are, what the field is, and how bases are utilized. Students will learn:

- Hitting Position
- Baseball Body Movements
- Fielding and Throwing Mechanics
- What Outs Are and How to Get Them
- What Runs Are and How to Score Them
- Intermediate Base Running

The ideas of teammates, introduction to races, and sportsmanship are incorporated into each class. Players hit coach pitching based on ability. All skills are taught through fun conceptual mini games. *MAXIMUM OF 14 STUDENTS.*

FILM ACTING WITH TAKE TWO FILM ACADEMY (K - 1st Grade)

3:00--4:00 PM

\$435

Act for the big screen! Students will participate in acting and improvisational games based on ensemble building and acting for film exercises. They will work on stories and scenes that will allow them to use their imaginations and see their performances in real time. *MAXIMUM OF 14 STUDENTS.*

EXTENDED DAY

MONDAY- FRIDAY

JK- 3rd Grade

3:00- 5:30 PM

\$400/ trimester

Students will have the opportunity to explore and interact with our technology lab, read books from our extensive library, watch films, and play on the beautiful terrace. In addition, they will create art projects, play games and be provided with a snack. Enrollment is by trimester, regardless of the number of days attending per week.
